

Non-Traditional Solutions

Integrated Systems for Managing Your Continuing Education Programs

The Jenzabar EX Non-Traditional sub-module and Jenzabar EX Registration module, when used together, offer a wide range of features to effectively manage your continuing education programs. Further, the integration of Jenzabar EX Accounts Receivable and Admissions modules with Jenzabar Constituent Relationship Modules for students and faculty enables you to seamlessly administer both traditional programs and continuing education programs within the same system.

Non-Traditional Sub-Module

- Track projected and actual revenue and expenses associated with courses, sections, and programs
- Associate activities such as field trips with courses
- Track institutional resources required for courses
- Track services associated with a course
- Track marketing items used to market a course
- Use course budget features to determine if a course is economically feasible
- Store multiple room set-ups with set-up and break-down times

Online Registration

- Allow students to register only for courses associated with selected locations and groups of students to register only for selected courses
- Allow guests on your Web site to view courses available for registration that do not require a formal matriculation process (Public Registration Courses)
- Allow guests to easily request a login and password so they can register for the Public Registration Courses
- Multiple registration methodologies: online registration, application registration by student, by course, by group, transfer work
- Group Registration for lockstep programs

Student Billing

- Register and charge students for courses, resources, events, textbooks, and other fees
- Allow students to pay fees for courses on a course-by-course basis
- Students can be required to pay for courses in order for the registration to be finalized
- Student billing can be both course- and student-based
- Robust tuition rate calculation system with variable tuition rates
- Account for third-party payers

Course Management

- Schedule courses that start and stop throughout the year and are offered at multiple locations
- Provide multiple course catalogs
- Promote courses, seminars, and workshops to diverse groups of individuals
- Students have anytime online access to their class schedules and course information
- Course rosters
- Non-lockstep degree programs
- Degree audit
- Track textbooks used with a course

Flexible Features

- Customizable database structure with user-defined fields and tables

- Track financial aid for standard and non-standard terms for next term
- Enable non-programmers to modify drop-down list boxes
- Contact Management System
- Student transcripts including both degree course work and non-degree course work

Reporting

- Comprehensive reporting
- National Student Clearinghouse Connect, updated annually
- IPEDS Reporting and Submission, updated annually

Streamline Operations with Jenzabar EX

Offered on the industry-leading Microsoft® SQL Server platform, Jenzabar EX enables every office on campus to access, update, and store crucial data more easily and efficiently. Authorized users share real-time information across administrative and academic departments, helping you to streamline operations and optimize your business processes.

- Shared database eliminates duplicate work, increasing administrative productivity and accuracy
- Powerful reporting tools provide end-user access to essential information and processes
- Student information is tracked from applicant stage through alumni/ae stage, supporting student success

From Admissions to Advancement, Jenzabar EX helps you deliver prompt, personalized service to prospects, students, alumni, families, and friends.

A Complete Set of Jenzabar EX Modules

Jenzabar EX offers a complete set of fully integrated modules to help manage your student information and business office data—each sharing a common database and standard user interface.

- Accounts Payable ▸ Accounts Receivable ▸ Admissions
- Advising ▸ Alumni Development ▸ Financial Aid
- Fixed Assets ▸ General Ledger ▸ **Non-Traditional Student**
- Payroll & Personnel ▸ Purchasing ▸ Registration ▸ Student Life

The Jenzabar® Advantage

In today's competitive world, institutions of higher education need every advantage to achieve their mission and goals—from innovative software to strategic expertise and client-tailored services. Find it all in one place, delivered by a strong technology partner dedicated to your success: that's the Jenzabar advantage. Our family of fully integrated products includes:

- Award-winning, proven ERP systems ▸ Constituent relationship modules & award-winning campus portal ▸ Learning management system ▸ Retention management solution ▸ Institutional intelligence solutions ▸ Continuing education systems

Build Lifelong Relationships with Jenzabar

You can further extend the functionality of Jenzabar EX through our constituent relationship modules (CRMs), which let you offer Web-based self-service to all constituents. CRMs provide tight integration between Jenzabar EX and our Web portal, Jenzabar's Internet Campus Solution. From applicants to alumni, your constituents can access administrative and academic data anytime, anywhere via the portal—and the data they enter into any Jenzabar CRM is integrated with Jenzabar EX. Jenzabar gives your institution the power to build lifelong relationships with every constituent—so candidates become students, students become graduates, and alumni become donors.

Count on Jenzabar for comprehensive solutions that help you manage data throughout the student lifecycle and across the campus. From Admissions to Advancement, we're with you all the way to maximum success.
